We specialize in ensuring various Glass of Business, including

Household:

Your home is more than just a house; it is where memories are made and dreams are nurtured. With our Household Insurance Policy, you can safeguard what matters most, ensuring you and your loved ones are protected against unexpected events. The cover is comprehensive, covering fire, theft, and natural disasters. Theft coverage would include your furniture, electronics, and personal belongings in the event of damage or loss.

Liability Coverage:

The policy provides liability protection for legal costs if someone is injured on your property due to your negligence.

Comprehensive Motor Insurance Cover:

Are you looking for reliable and affordable motor insurance? Look no further! As a trusted broker, we offer customized motor insurance solutions to keep you and your vehicle safe on the road. As your broker, we shop around for the best deals, ensuring you get excellent coverage at a price that suits your budget. Old cars can be covered for Third party Fire and Theft or Third party only, and both covers attract a very low premium, usually between R200 and R400.00 per month.

Contractors All Risks Insurance:

As a contractor, your projects are your livelihood, and unforeseen events can derail your hard work and investment. Ensure you are prepared for the unexpected with Contractors All Risks Insurance. This insurance provides comprehensive protection against unforeseen risks that may occur during construction, renovation, or maintenance projects. It safeguards your investments by covering both property damage and third-party liabilities. The cover would include your tools, materials, and machinery against theft, damage, or accidents on-site.

Commercial Insurance Cover:

As a trusted broker, we understand that your business is your passion and livelihood. That is why we offer tailored commercial insurance solutions designed to keep your business safe from unexpected risks. The cover protects against various risks, including property damage, liability claims, and employee-related issues. Property coverage for your physical assets, including buildings, equipment, and inventory, against fire, theft, and natural disasters.

Liability Protection:

Protect your business from legal claims due to accidents, injuries, or negligence. Coverage options can include general liability, product liability, and professional liability. The following businesses should consider Public Liability Insurance: Contractors working for the state or private project owners; traders of all kinds; electricians; plumbers; builders; and many others.

Business Interruption Insurance:

This coverage ensures that you are covered for lost income and ongoing expenses in the event your business is temporarily closed due to a covered peril. For example, your rental business is suspended due to unforeseen events. All your tenants will obviously suspend operations and stop paying rent. The insurance will then cater to the income lost while your business is being rehabilitated.

Professional Liabilities:

Attorneys; Consultants; Medical Practitioners; Freelancers, Financial Practitioners (Accountants); these professionals can be sued for negligence or any damage caused due to mistake or oversight. In the Event of a loss by the Insured Client, a claim will ensue. As your professional consultant, it is our responsibility to make sure that during an unfortunate event, we are there to help process your claim with care and promptly.
